IASO-NATCON 2025

38th Indian Association of
Surgical Oncology National Conference

16th-19th October, 2025

Taj Cidade De Goa Horizon
Goa, India

Hosted by:

Gokarma Oncology Association

Welcome Message

Dear Colleagues,

On behalf of the organizing committee and IASO, it is our pleasure to warmly welcome you to the Indian Association of Surgical Oncology National Conference - IASO NATCON by GOKARMA at Goa from 16th - 19th October, 2025.

Your generous support will be instrumental in making this event possible, and we will be deeply grateful for your commitment to advancing cancer research, treatment, and patient care.

This conference brings together experts, researchers, and healthcare professionals to explore the latest innovations in oncology, and your partnership is a key part of that mission. We look forward to sharing this impactful experience with you and highlighting the contributions you make to the oncology community.

Thank you once again for your support and participation. We hope you will find the conference both insightful and rewarding.

Warm regards,

Dr Sanjeev Kulgod
Organising Secretary
NATCON 2025

Dr Shekhar Salkar
Organising Chairman
NATCON 2025

Dr Sharad Desai
President
IASO

Why you need to be here at IASO NATCON GOA by GOKARMA

Healthcare industry sponsors should consider supporting 38th IASO NATCON conference by GOKARMA Oncology Association at GOA because it provides mutual benefits to both the industry and the medical community, ultimately leading to advancements in cancer treatment and patient care.

Why you need to be here at IASO NATCON GOA by GOKARMA?

- This conference is the most eagerly awaited NATCON by nearly 2500 Surgical Oncologists from across India and abroad.
- This conference shall be expected to be the largest IASO NATCON gathering in the history of all the NATCONs.
- This conference shall be attended by stalwart and eminent Surgical oncologists from India and abroad and opens opportunities for networking and collaboration.
- It shall be the largest inhouse delegation - nearly 600 delegates, the attendance for the trade , exhibition and for the scientific sessions is likely to be the highest.
- We are expecting highest footfalls to the trade areas and trade and exhibition area will be open till dinner time.

Here are several reasons why this partnership is valuable:

1. **Advancing Cancer Treatment and Research:** This IASO NATCON conference shall focus on sharing the latest research findings, surgical techniques, and treatment options. By sponsoring these events, industry partners can contribute to the acceleration of knowledge that directly impacts cancer care. Their support helps fund presentations, workshops, and discussions that bring the most cutting-edge techniques to the forefront.
2. **Networking and Collaboration Opportunities:** We will assure you 38th IASO NATCON by GOKARMA at GOA offer an ideal setting for networking between healthcare providers, researchers, and industry professionals. Sponsors have the chance to engage with leading experts, which can open doors for collaborative research, clinical trials, or new product development. These connections can drive innovation and help bring new solutions to market.
3. **Demonstrating Industry Innovations:** For healthcare sponsors, IASO NATCON provide a platform to showcase their latest products, technologies, and services directly to their target audience— thousands of surgical oncologists and trainees alike. Exhibiting at these events allows sponsors to introduce new surgical tools, pharmaceuticals, or medical devices to professionals who will be using them, gathering feedback and building awareness.
4. **Education and Training Support:** At IASO NATCON conference shall incorporate hands-on training sessions for trainee surgical oncologists . Sponsors can support these educational workshops by supplying materials, equipment, or expertise, enabling surgeons to develop new skills and familiarize themselves with the latest tools. This support not only promotes industry advancements but also helps ensure that cancer patients receive the highest quality of care.
5. **Enhancing Brand Image and Trust:** Sponsoring educational conferences like IASO NATCON allows companies to demonstrate their commitment to improving cancer care. By visibly supporting oncologists and the medical community, healthcare industry sponsors build credibility and trust among healthcare providers and patients, which can improve their reputation in a field where ethical considerations are paramount.
6. **Access to Direct Feedback and Insights:** IASO NATCON allow sponsors to gather valuable, real-time feedback from surgical oncologists and healthcare providers who work directly with patients. Engaging with practitioners at these events provides insights into the practical needs and challenges in cancer care, which can inform product development and marketing strategies, ensuring that products better meet clinician and patient needs.
7. **Accelerating Adoption of New Technologies:** IASO NATCON conference is an opportunity for sponsors to introduce new technologies or treatment solutions to practitioners who could benefit from them. By creating awareness and offering training at these conferences, sponsors can help accelerate the adoption of innovations that improve cancer treatment outcomes and streamline surgical procedures.

Hence in nut shell, sponsoring 38th IASO NATCON surgical oncology conferences aligns the healthcare industry with the mission to advance cancer care. It allows companies to actively participate in meaningful collaborations, gain visibility among leading experts, and contribute directly to the evolution of cancer treatment. This partnership is not only strategic but also essential for continuous innovation and improving patient outcomes.

IASO

Indian Association of Surgical Oncology is one of the oldest Surgical Oncology Societies formed by the Doyens of Cancer Surgery in 1977. Over last 4 decades the society has grown to one of the largest and active Superspecialty Associations with 2000 odd members all across India.

Cancer often appears to be like a Death sentence. Many lives are lost every year from this dreaded disease mostly from late presentations. No job can be more satisfying when some of these lives can be saved. Surgery remains the mainstay of curative treatment for Cancer especially in early stages. The techniques are ever evolving especially with better understanding of the biology and genomics of the disease and also for the advent of newer technologies. Hence Minimal Access Surgery including Robotics, LASER, Surgical Staplers, RFA have reduced the morbidities of radical surgeries and often can give a much better quality of life with Organ conservations. IASO has been very keen from the beginning in Knowledge sharing and Skills development by involving eminent National & International faculties in different Scientific conferences, Live Workshops and more recently through Webinars. Its official Journal- Indian Journal of Surgical Oncology- is extremely popular for its scientific contents and has high impact factor.

GOKARMA Oncology Association

GO - KAR - MA | Goa - Karnataka - Maharashtra

- GOKARMA has humble beginning, envisioned by like minded 15 oncologist from few cancer centres (Only two comprehensive cancer centres with 2 LINAC) from Goa, northern Karnataka and southern Maharashtra. The first meeting was hosted by Late Dr Sandip Madhwapathy in 2010, then conceptualised in Goa International Centre in mid 2011 by Dr Shekhar Salkar and Sharad Desai and registered it under societies act 1860 on 14/9/2011(Registered no-901/GOA/2011).
- Similarly we established GOKARMA ONCOLOGY MEDICAL TRUST on 14/03/2013 to support the cancer awareness, early detection camps, anti tobacco campaigns.
- GOKARMA Oncology Association has been established in pursuit of creating a platform for scientific activities, nurturing and supporting oncologists, enhance oncology knowledge to peer groups of medical community in the underprivileged area of the country.
- **Today GOKARMA has grown to be the largest private organisation in the country with more than 100 oncologists.** hail from nearly 16 comprehensive oncology centres with 21 LINACS in the region. We are proud to say that with cooperation, collaboration and cross learnings, we are producing excellent oncology outcomes for needy 2 crore plus population.
- We conduct regular scientific events to impart and enhance oncology knowledge across Goa, Karnataka and Maharashtra. Our regional associations conduct monthly oncology meets at various places across different cities.

The Venue

Taj Cidade De Goa Horizon, Goa

Nestled on a verdant hillside with commanding ocean views, Taj Cidade de Goa Horizon is a sprawling, luxurious haven. With airports and Panjim City within easy reach, our resort is elegant, bold and warm with breath-taking vistas of the Arabian Sea, Vainguinim Beach and the Zuari River.

Goa - The Host City

Basilica of Bom Jesus

Ah, Goa! The very name conjures up images of sun-kissed beaches, swaying palm trees, and a laid-back vibe that is as contagious as a beachside melody. Come dive into this coastal paradise and explore its magic. From the bustling shores of Baga and Calangute to the serene sands of Palolem and Agonda, each beach has its unique flavor. Picture yourself sipping coconut water under the shade of a palm tree, the waves gently lapping at your toes.

Candolim Beach

Goa knows how to celebrate life! Whether it's the colorful Carnival, the spiritual Shigmo festival, or the pulsating Sunburn music festival, there's always something happening. The air is charged with excitement, and locals and tourists alike dance to the rhythm of the drums. It's a kaleidoscope of colors, music, and joy. Goan cuisine is a delightful fusion of Indian, Portuguese, and Konkani influences. Seafood lovers rejoice—the fish curry, prawn balchão, and xacuti are legendary. And don't forget the bebinca for dessert—a layered cake that's pure indulgence.
